MINUTES

The 173rd annual session of the Pennsylvania Conference, Church of the United Brethren in Christ, was opened at 8:30 A. M. Tuesday, August 22, 1961, at the Rhodes Grove Camp Grounds, R. R. 6, Chambersburg, Pennsylvania. Throughout the day, pastors of the respective fields appeared before the Committee for auditing pastors' reports and pass books.

TUESDAY EVENING

The opening service of the Conference was held in the tabernacle at the Rhodes Grove Camp Grounds beginning at 7:30 P. M. Tuesday. Bishop Clyde W. Meadows served as the presiding officer and led the congregation in singing. The hymns, "All Hail The Power of Jesus' Name" and "I Am Thine, O Lord" were sung and prayer was offered by Rev. Dale E. Kline. Mrs. Clyde Meadows served as pianist for the service.

Announcements were made by the presiding officer and Rev. Paul B. Baker received the offering which amounted to $41.18.

The Pennsylvania Conference ministers, with Rev. Guy R. Baer as soloist, sang "Onward Christian Soldiers."

Bishop C. E. Carlson was presented to the group as the speaker for the opening night service and as the chairman for the conference.

Bishop Carlson presented a challenging message and pointed out that sound doctrine is most important, but that this is not enough until that doctrine goes beyond us and reaches our fellow man who is in need.

"In our contacts with those who are not Christian," he said, "the way for us to cause them to realize that Christianity is meaningful is to reach out and in a very practical way help those who have needs." He mentioned that it will cost us to do so but that it will cost more if we fail. "Christianity is a matter of personal relationships with God, with other Christians, and also with those who do not know Christ."

Following the closing prayer by the Bishop, the roll of ministers was called with 37 persons answering to their name. Twelve lay delegates presented their credentials. By motion the bar of the house was set to include the first six rows of seats across the two center sections of the tabernacle.

Howard Yohe and Joseph Souders were appointed to serve as pages. C. Ray Miller was elected to serve as conference secretary and Dr. Meadows as assistant chairman.

By motion, the program was adopted subject to necessary changes.

The conference adjourned on motion.

Announcements were made and Bishop Meadows offered the closing prayer.

WEDNESDAY MORNING

Bishop Carlson called the conference into session at 8:30 A. M., and the roll was called with 29 ministers and seven lay delegates responding.

Rev. Paul B. Baker, the devotional leader for the week, led in the singing of "Blessed Assurance," with Mrs. A. E. Martin serving as the pianist. Rev. Baker read the passage of Scripture as recorded in Acts 4:23-33, and following the singing of "Sweet Hour of Prayer," Rev. Fred Mentzer led in prayer.

Rev. Baker spoke of the early Church and pointed out that it was a mighty force. "We can learn several lessons as we study about it," he said, "and one of the lessons is that it had an inner conviction." Another lesson is that there was proven evidence and the evidence in the Scripture lesson (Acts chapter 4) was the healed man. The third lesson to be learned is that it had an inexhaustible power. "If the Church today will learn these lessons, it will triumph," he pointed out in closing. The devotional service was closed with prayer by the leader.

The minutes of the Tuesday night session were read and approved.

Nine lay delegates presented their credentials and were seated within the bar.

By separate motions, Olin Hosaflook was seated as the delegate from the Mt. Olivet (Va.) circuit, and Carl R. Conaway as the delegate from the Brooklyn Park Church.

A solo was sung by Mr. Forbes, choir director for the King Street Church of Chambersburg.

Rev. Duane A. Reahm, newly-elected General Secretary of Missions for the denomination, was introduced by the presiding officer. Rev. Reahm conducted a brief recognition service regarding the Sunday School for Missions offerings from the various churches of the Conference.

He then spoke to the group on "The Mandate of Missions", using Mark 16:14-20 as the basis for his remarks, and referring especially to Jesus' command to go into all the world and to preach the Gospel to every creature.

"The first mandate of Jesus", he said, "was simply to 'go, preach,' but this is not the main concern of the members of our churches today. We have been too concerned about the non-essentials." He said that the second part of this mandate of Jesus is that it must be universal—that we must carry the message into the whole world. But only 4% of the money given to the work of the Churches is used for foreign missions. He urged the congregation to pray that more persons will respond to the work and will be willing to go as missionaries.

"This mandate", he said, "also involves God's presence because the promise has been given that He will be with us."

"We must be willing to do that which is in our power to fulfill the mandate of Jesus to 'go, Preach'."

"A Charge to Keep I Have" was sung in closing and the speaker pronounced the benediction.

THURSDAY MORNING

Rev. Paul B. Baker led the devotional service, beginning with the singing of "There Shall Be Showers of Blessing", and "My Jesus, I Love Thee." Rev. F. G. Mentzer led in prayer.

The devotional leader read Matthew 18:15-22 and stated that the Church triumphs and hell trembles when we are united as we ought to be. He referred to the promise in Matthew 18:20—"For where two or three are gathered together in My name, there am I in the midst of them."

He stated that we must be united and that we must cause hell to tremble, but that Satan attempts to keep us divided and keep us so busy that many seemingly do not take time to be truly Christian. "May we not be separate; may we not be too busy, but may we triumph and thus cause hell to tremble", he urged in closing. He closed the service with prayer.

Mrs. Louise L. Mort presented her credentials as lay delegate from Hagerstown and Glen King presented his credentials as delegate from Bowleys Lane.

Rev. Harold Barrett, of the Primitive Methodist Church of Mt. Carmel, Pennsylvania, was introduced as the evening speaker. Rev. Barrett spoke concerning the prayer of Jesus as it is recorded in John, chapter 17, and especially concerning His plea for unity. He stated that this unity is a unity that overcomes difficulties and divisions, but that frequently we attempt to rationalize the plea of Christ for unity. "We have a disposi-

tion, as denominations", he said, "to glory in our differences and thus the world immediately questions our unity."

He stated that Jesus is burdened about unity in this prayer because real unity will demonstrate that Jesus was truly sent of God and because where there is unity, God's love will be demonstrated.

The congregation sang "Where He Leads Me, I Will Follow", and the presiding officer pronounced the benediction.

FRIDAY MORNING

Conference was called into session at 8:30 A. M. by the Bishop. The roll was called with 29 ministers and 15 lay delegates answering to the call.

Rev. Paul B. Baker, the devotional leader, directed the congregation in singing "We're Marching To Zion", and "Glory To His Name". Rev. Laban Hawbaker led in prayer.

The leader read the Scripture lesson as recorded in Luke 14:25-35, and spoke concerning discipleship. "The Church today", he said, "needs not only decisions, but disciples, because Jesus Himself said that we are to go and make disciples".

"Jesus set forth the demands of discipleship, but many turned away from following after Him. He, today, is setting before us the demands of discipleship."

"If we are Christian", the speaker said in closing, "then it is expected that we be true disciples". He offered prayer as he closed the meditation.

The minutes were read and approved as corrected.

Carl V. Hinkle spoke to the conference, telling of the work at Staunton, the building which is being erected there, and the progress that has been made thus far. He spoke concerning the fine work that the contractor has done in the construction of their new church building.

The conference adjourned on motion, and following announcements, John H. Roland offered prayer.

FRIDAY AFTERNOON

The report of the Secretary of Education (No. 24) was read by Paul B. Baker and, by motion, the report was adopted.

He told of the benefits that have come to our College as a result of the recent achievement in gaining accreditation in the North Central Association of Colleges and Secondary Schools.

He told of the progress that is being made in various areas, includling the increases in enrollment, and he gave information in regards to the finances of the College.

Dr. Colclesser announced that the week of October 15-22 will be observed as Huntington College Week.

Announcements were made by Rev. Dorsey and an anthem was sung by the choir of the Prince Street Church of Shippensburg.

Dr. Clyde W. Meadows, newly-elected Bishop, was the evening speaker and read from the Gospel according to St. John, chapter 20. He placed special emphasis upon the statement of Jesus: "As the Father hath sent me, even so send I you."

He said that Jesus came willingly; that He came in weakness and poverty, even though all power in Heaven and earth was His. He was sent into the world and went where people were, not becoming a hermit. He was sent into the world alone, the speaker said, "and often times when we follow Him, we will feel very much alone, but we must remember that God has sent us."

At the close of the message, Dr. Meadows offered prayer.

The service of ordination for four persons, namely, Paul B. Baker, J. Raymond Brant, Wilber L. Sites, Jr., and Jacob F. Stover, was conducted by the Bishops. The candidates were presented by their respective sponsors: Fred Mentzer and Dale E. Kline; Lester M. Misner and Dale E. Kline; Fred Mentzer and C. Ray Miller, and George E. Weaver and Jacob Zepp.

The offering amounted to $408.77 in cash and $85.00 in pledges for a total of $493.77 was received by Bishop Meadows.

CONFERENCE SUPERINTENDENT'S REPORT OF THE NORTH DISTRICT

Report No. 2

To Bishop Clyde W. Meadows and Bishop Clarence E. Carlson, members and friends of the One Hundred and Seventy Third Session of the Pennsylvania Conference, Church of the United Brethren in Christ . . . Greetings in the precious name of Jesus.

"Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard; that went down to the skirts of his garments; As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the Lord commanded the blessing, even life for evermore."

THE MINISTRY

As far as I am concerned, brethren of the ministry, I believe we have had this good and pleasant experience of our "brethren dwelling together in unity." As far as I can detect, I feel there is a good spirit of harmony among the brethren of the ministry. I believe they are giving sacrificial service to their God given call. "I thank my God upon every remembrance of you, ... making request with joy, for your fellowship in the gospel.

All fields on the North District were supplied at the time of the Annual Conference, except for the Mt. Vernon Station. Following Annual Conference James A. Snider was appointed and served through the year.

All Pastors served throughout the year, working ardently at the task assigned them, and will show favorable results.

The Lord, in His good providence, has been good unto all. Death has not invaded the ranks of the ministry, nor has there been any serious illness of the ministers on the District.

Many of the fields will show increases, numerically, materially and spiritually. A few have had slight decreases.

No Quarterly Conference licenses were granted this year.

There is one recommndation to the Annual Conference for license to preach the Gospel. Therefore, Mr. Chairman, I submit the following recommendation: "To the Pennsyylvania Annual Conference now in session, August 22-25, 1961. We the members of the Mt. Pleasant Society, now in the Fourth Quarterly Conference Session do hereby recommend Brother Ronald L. Cook to this Pennsylvania Conference as a candidate for license to preach the Gospel of Christ. RHODES GROVE CAMP

The Junior and Young Peoples Camp was conducted during July 9 to 15 and the Adult Camp July 18 to 30.

There were 168 Juniors and Young People enrolled in the Camp this year, thus reaching an all time high. There were approximately 35 workers. A number of our ministers as well as many lay members made up the corps of workers. Rev. C. Ray Miller served as the Camp Dean. Ray Zimmerman from the Department of Christian Education, was the Director of Youth work.

There were more than 100 decisions for Christ. Many were first time decisions, some for full time service, others were renewals.

The Mt. Tabor Church was awarded a trophy for having the largest number of persons (on a percentage basis) enrolled in the Camp.

The Adult Camp was quite successful. Dr. M. I. Burkholder, Dean of the United Brethren Seminary at Huntington, Indiana served as the Evangelist.

Rev. Webster C. Muck, Jr., was with us again this year. Quite a number shared in his teaching of the Minor Prophets, 9:30 each morning. For the chapel services at 11:00 A.M. each morning, his theme was, "Ye Have Heard." His messages were based on the Ten Commandments as Jesus interpreted them in the Sermon on the Mount.

In charge of the music, was Rev. Lester M. Misner song leader; Mrs. Burnell Manchey organist; Miss Donetta Burkholder pianist.

The special musical groups were the Mello-Tones and The Couriers Quartets.

There were several decisions for Christ during the Adult Camp, with the climax on the last Sunday night, when a great altar service was witnessed.

Three persons were baptized the last Saturday of Camp. The service was in charge of Rev. Howard M. Yohe. On Sunday, July 30, Rev. Arbe J. Dorsey preached the sermon and conducted the Conference-wide Communion service. It was a large and very impressive service.

PERSONAL SERVICE

I conducted 34 Quarterly Conferences and one special session.
September 4, assisted at the Corner Stone Laying service for the new Sanctuary at the Prince Street Church, Shippensburg.
November 13, assisted in the Dedication of the new addition to the church in Rohrersville.
November 20, assisted in the Dedication service for the new parsonage in Waynesboro.
January 8, assisted in the Dedication service for the addition to the church in Strinestown.
February 19, assisted in the Dedication of the new parsonage at Orrstown.
March 5, conducted the Ground Breaking Service for the 5th Street Church in Staunton, Va.
July 2, assisted in the Dedication of the new sanctuary of the Prince Street Church, Shippensburg.
I attended many committee meetings, meetings with the Conference Council of Administration, of the Conference Superintendents, and many other activities throughout the year.

It has been, indeed, a pleasure to serve the Lord and the Church along with my brethren in the ministry through another conference year. You have all been very gracious and kind, as well as very cooperative.

I am greatly indebted to my good friends and dear Brethren in the superintendency, Clyde W. Meadows and Arbe J. Dorsey who have so graciously borne with me and helped me along in my insufficiency and inability to do the job assigned me. I consider them real brethren and surely, as a conference, we are going to miss the able supervision and administration of our senior Superintendent, Clyde W. Meadows. But God has a larger area and a more extended field of service for him, and may God continue to use him in this wider field of service.

Respectfully,
DALE E. KLINE

CONFERENCE SUPERINTENDENT'S REPORT OF THE CENTRAL DISTRICT

Report No. 3

To Bishop Clarence E. Carlson, D.D. and members of the 173rd annual session of the Pennsylvania Conference Church of the United Brethren in Christ:

Christian Greetings in the name of our blessed Saviour and Lord Jesus the Christ. It is with mixed feelings that I bring this my 27th and last report as a superintendent in the Pennsylvania Conference. As you know, at the General Conference of our Church in June, I was elected Bishop and, therefore, will be unable to continue beyond this Conference as a superintendent. These have been 27 wonderful years working with the brethren of Pennsylvania Conference. I feel very unworthy of the high office of Bishop and would have preferred remaining as I was a pastor-superintendent, but the Church has spoken, and my answer is "Here am I send me!"

I would not, however, want my brethren of Pennsylvania to get the wrong idea from my remarks above, for I consider the work of Bishop in our Church a most important service, and I see great possibilities for service for Christ and the Church. Already I have found real joy in serving the ministers and lay people of the various conferences. I have been in all of the East District on errands of duty as Bishop and have been most graciously received in all of the conferences.

The Ministry

Jesus laid great stress upon the importance of the ministry. "And he ordained twelve, that they should be with him, and that he might send them forth to preach, and to have power . . .," Mark 3:14-15. "Pray ye therefore the Lord of the harvest that he would send forth laborers into his harvest." The Church, our Church depends in large measure for its success upon the mental, physical, and spiritual strength of its ministers. They need to be consecrated, dedicated, well trained (college and seminary is not too much) and then adequately supported, so they can give themselves without reserve to the work of the ministry.

We are fortunate in Pennsylvania in the fine staff of ministers that we have. At least 22 of them are college trained and 11 of them have college and seminary training. Others have given themselves to years of experience and wide reading. These are the men that man the 30 pastorates in our conference.

Each pastor assigned to a field in the Central District at the last Annual Conference accepted the assignment given and served faithfully through

the year. We thank God for his providential care, and His blessings upon our labors. There has been a net gain in membership of 53 in the district. The pastors preached 1,480 sermons; baptized 124; made 7,485 visits; and 179 gave their hearts to the Lord during the year.

At the fourth local conference at the King Street United Brethren Church, August 9, 1961, Kirby Nelson Keller; R. R. 2; Chambersburg; Pa.; presently a student in Huntington College, was recommended to this Conference for Annual Conference license to preach the gospel.

Statistics and Comparisons

The Senior Superintendent was asked by the Cabinet of Superintendents to make some statistical comparisons on a Conference wide basis. In the entire Conference this year, we had 388 commitments to Christ, which makes a total in the last four years of 1,726. There have been 388 accessions to the Church, making our present total membership 6,710, which is a net increase of 75 over that of last year. In the Conference, the total local budget last year was $403,953.67, and this year $570,228.62. The Conference Budget last year was $17,920.87 and this year $17,443.77. The total General Benevolence last year was $29,420.85, and this year it is $30,228.78. The total General Specials last year were $33,342.76, and this year $36,935.00. The total Missionary Offerings last year were $28,071.08 and this year $25,019.84; making a grand total of finances for ALL Purposes last year of $507,427.93 and this year $679,857.12. The present total value of property is $2,714,538.55.

Ministerial Conferences

Five Ministerial Conferences were held during the year for all pastors, Ordained, Annual and Local Conference ministers. At the fall meeting, October 17th, 1960, the ministers were guests of the King Street United Brethren Church in Chambersburg and the program was concerned with probable issues of the 1961 General Conference particularly—"Secret Combinations—Definition and our Attitude Toward Them." Another Conference was held December 27th, at Rohrersville, the Mid-Year Conference at Blue Rock; February 21-22, 1961. The last two meetings, April 14; 1961; at King Street Church, and July 18, 1961; at the Camp Ground were in the form of spiritual retreats for the ministers. We are glad to see this trend toward the spiritual emphasis. We would strongly recommend that the plan of Ministerial Conferences be continued.

Missionary Organizations

The Men's Brotherhood of Missions in its conference wide organization under the leadership of Garnet W. Sites, parallels though it not yet matches the splendid work of the Pennsylvania Conference W. M. A. Branch. It is however, to be commended for its effective program. We now have 35 W. M. A. locals and 14 Brotherhood organizations in the Conference and we hope the time will soon come that we shall have an active W. M. A. and Brotherhood in each church of the Conference, and some of our churches could well have several organizations.

Church Homes

The Milton Wright Memorial Home, Inc., operates two institutions — the Milton Wright Home at Kauffman's Station, and the Piney Mountain Home for the Aged near Fayetteville, with emphasis upon children, and older people's care in the respective homes. In observing the need and trend of the times it is noted that the need for children's homes seems to be shrinking, because of other methods of child care, but the need for homes for elderly people is increasing from year to year. We appreciate the splendid leadership Brother Richard Reeves has given to this work as the General Superintendent of the Homes. He will have a detailed report to the Conference.

Church and Parsonage Improvements

A considerable amount of money has been invested in new buildings and improvement of churches and parsonages in the Central District this year.

BLUE ROCK: Is well underway with plans for a major addition to the Church, the blue prints of which have been reviewed and approved by the Conference Council. This will amount to more than $75,000.00. They also made general improvements amounting to $1,065.00.

CHAMBERSBURG: Paid $28,000.00 on the Building debt, and made $1,169.00 church improvements.

WAYNESBORO: Built a Parsonage in which they invested $24,024.00 this year. They also paid $3,100.00 on Church Building debt, and made church improvements to extent of $838.00.

A Personal Word

These have been great years since September, 1933 when I was first elected Conference Superintendent. Through these years I have had the pleasure and privilege to serve with F. M. Burkett, Ezra M. Funk, J. Clair Peters, Fred Mentzer, Dale E. Kline, and Arbe J. Dorsey. These last two brethren have served with me over the longest period of years and have been with me this year. We operated as a team in perfect harmony and it has been an inspiration and a source of real Christian satisfaction to sense their Christian spirit and attitude of dedication to the Cause of Christ as well as the spirit of good will and consecration on the part of all the brethren of the Conference. In these years I have seen the Conference grow in church membership from 31 Juniors and 3,596 adults, a total of 3,627, to present membership of 323 Juniors, and 6,387 Adults, a total of 6,710; a Sunday School enrollment in 1934 of 5,437 and an average attendance of 3119 to a present enrollment of 8,570 and average attendance of 5,921.

In this year I have held 22 regular and 2 special Local Conference Sessions, delivered 42 sermons and addresses for Local Conferences, Rallies and Special Services, shared in Cornerstone Laying of Shippensburg Church, September 4; Conference Convention of Christian Education, Franklintown, September 24; Y. P. M. B., South Mountain Union, October 28; Rohrersville Dedication, November 13; Waynesboro Parsonage Dedication, November 20; Strinestown Dedication, January 8; Dedication of Shippensburg Church, July 2, as well as represented the Conference in many Pennsylvania Council of Churches, Pennsylvania State Sunday School Association and Christian Endeavor meetings. In all I have traveled 2536 miles in the work of the Conference.

Humbly submitted in the Name of the Lord,

CLYDE W. MEADOWS.

CONFERENCE SUPERINTENDENT'S REPORT OF THE SOUTH DISTRICT

Report No. 4

To Bishops Clarence E. Carlson and Clyde W. Meadows, members and friends assembled in the 173rd session of Pennsylvania Annual Conference at Rhodes Grove Camp Grounds, Chambersburg, Rural Route No. 6. We greet you in the name of our Lord Jesus Christ.

Today as we are in session the world about us is engaged in a war. A "cold war" is the terminology of the press. But it is real and just as real as a "hot war." People by the millions are being indoctrinated and enslaved by political ideology. This is a war, not so much for the destruction of life, but for the souls of man.

The Lord Jesus is sending His Church today into this same arena of conflict to win the souls of men for Him who is King of kings and Lord of lords. He is not sending us as a Church to preach against any political ideology or religion. He is sending as a Church to preach and teach the power of the Gospel. St. Paul said, "I am not ashamed of the Gospel of Christ for it is the power of God unto salvation."

This was the message of the New Testament Church in the midst of pagan religious and a dictatorial political power. It must be the message of the Church in our day if we are to be effective in our discipleship.

The Ministry

In President John F. Kennedy's book "Profiles In Courage" he relates in one chapter of a Senator Thomas Hart Benton from Missouri in years of 1850. Senator Benton had taken his stand against slavery. He was counted a traitor in his stand by Senators of the southern states.

In Senator Benton's years he made this statement: "I value solid popularity—the esteem of good men for good action. I despise bubble popularity that is won without merit and lost without crime."

Certainly there is no place in the ministry of our Church for "bubble popularity". The ministry of this Church is a divine calllng and no one minister has an edge on another before God. Each one has his or her gifts and abilities. No one excells in all things, but God gives the gifts to men as it pleases Him. The ministry is responsible to God for the carrying out of the gifts He has bestowed.

All of the ministers of the South District accepted the fields of labor assigned them at Conference. At the beginning of the second semester, Brother Thomas Mellott resigned the Mt. Tabor appointment to return to Huntington College. This was known at the time of the Stationing Committee's report at Conference. Sister Erma Funk accepted the appointment for the remainder of the year; for which we are grateful to her.

The Solomon's Chapel Church was served by Rev. Owen D. Hutchens a Presbyterian minister of Circleville, West Virginia, and we express our gratitude to him for accepting the work.

Physical Property

The Jerusalem Chapel Church added a new vestibule of mahogany panel ing at a cost of $850., and the basement was improved by partition, and paint at a cost of $200.

Mt. Tabor has a building fund of $177.52.

Bowleys Lane Church has purchased some new tables at a cost of $15.00. The Church indebtedness has been reduced by a payment of $1078.06 this year, and on Parsonage, payment of $618.74 was paid on indebtedness.

Work of the District

This past year I attended and held 36 Quarterly Conferences. I have tried to attend all other meetings of the Conference program. This included the Conference Superintendents' Meetings, Conference Councils, Christian Education Conventions, and Missionary Conventions, along with the Ministerial Meetings of the Conference.

The other services attended are the following:

September 4, 1960—Cornerstone Laying Services at Shippensburg.
September 18, 1960—Home Coming and Rally Day Services at Solomon's Chapel.
October 23, 1960—Dedication of furnishings at Pleasant Hill Church.
November 13, 1960—Dedication of Parish Hall at Rohrersville.
November 20, 1960—Dedication of Waynesboro Parsonage.
July 2, 1961—Dedication of Church Sanctuary at Shippensburg.
August 31, 1961—Homecoming and Rally Day at Fork of Waters.

This year was one of many hardships. I had to make three trips by automobile to Chattanooga, Tennessee in the time of my youngest brother's family being killed in an accident. My wife was under a physician's care for about the first five months of the Conference year. And a large number of deaths on the Circuit I serve, and two building programs on the Circuit. This all added to the increasing burden of the work of the District.

In everything our God has been good to me. He has given me health and strength, above all He has given me Christian fellowship to sustain in all times. I want to thank all of my co-workers in Christ, and especially Clyde W. Meadows and Dale E. Kline for counsel, advice, understanding and prayers. And may God love all of you.

Your Servant in the Lord,

ARBE J. DORSEY.

CHURCH HOMES
Report No. 5

Bishop Meadows, members and delegates to this One hundred and seventy-third session of The Pennsylvania Conference of the United Brethren In Christ Church, greetings in the name of our Saviour, from your church homes.

MILTON WRIGHT MEMORIAL HOME

At the present time there are thirty-three children ranging in age from 7 through 18 years residents of this home. Three aging residents are also housed here Since last conference a total of fifteen children have entered the home, while five have been discharged. All of those discharged were wards of the county of Franklin. Two of these were graduated from Greencastle High School, the other one went to Scotland School and the others to foster home placement.

A staff of eight help in the home under the leadership of Mrs. Reeves, Matron. A near normal home life is maintained as much as possible. The children have daily chores both in the home and on the farm. They attend public schools and participate in extra-curricular activities. Daily devotions are conducted by the children themselves in their dining rooms before breakfast. Sunday Morning you will usually find us coming to one of your churches, or if the weather is too bad Church School will be held in the home.

Visiting away from the home is permitted one weekend a month with three weeks each summer as a summer vacation. Frequent visits are encouraged of relatives. Twelve of our youth participated in the activities of Youth Camp held on this camp ground. Your help in making this possible was very much appreciated by those who attended.

Throughout the year many organizations have come into the home to bring a spiritual message and entertinment to our youth. Our sincere appreciation to all who helped so well and especially to those youth organizations who are an encouuragement in showing those of the home that they are interested in helping.

Buildings

Continual maintenance is necessary to keep the home in good condition. Repainting of the first floor hall, kitchen and fire escape have been completed. Recently the Ladies Auxiliary provided funds to replace the ceiling in the Superintendent's home. Also to lay inlaid linoleum over the entire first floor. Last spring storm windows were installed on this building too.

Some of our more pressing needs at the present time are the installation of storm windows on the dormitory, replacement of some floor coverings on the second and third floor which have been there for seven years. These will be done as funds permit. The Ladies Auxiliary in the dormitory did replace the linoleum in the girls lounge with tile and bought new furniture.

The driveway in the near future will have to be resurfaced as the tar is becoming brittle and will begin to crumble after another winter.

Farm

Continual growth in the dairy herd will be noted. A herd of 17 milk cows, five young heifers and nine young bulls which will in the near future provide both homes with meat. An income of two hundred and fifty dollars monthly comes from the sale of surplus milk. A flock of twelve hundred chickens is kept and they too provide an income of several hundred dollars a month from the sale of surplus eggs.

Due to the ruling of the Dept. of Health, raising of vegetables for canning has been reduced. Only canning done in pressure cookers would be permissable in homes such as these. Some things have been frozen thus far

and placed in storage. Also due to this ruling we are unable to accept canned foods from the churches this year too.

This spring a new tractor was purchased so that grain fields could be made ready on time for planting. Due to the raising of the railroad the smaller of the two tractors would not pull a load up the grade to get to the barn.

Production of grain for farm feed has been good thus far. With a good rain in the near future a good yield of corn is expected.

PINEY MT. HOME FOR THE AGED

Providing a full and sufficient life in the sunset years is the aim of this home. At present there are forty seven residents. The full capacity of the home since the addition of the rooms on the porch is set at fifty. There are enough applications on hand to fill to capacity which should be reached in the next few weeks. Only one resident has passed away in the past year. It happened on the day to the year that any one else had passed away. Three persons were discharged from the home. One on his own request to enter his denominational home. The other by request of the home to enter an institution because of deterioating mental condition. The youngest resident is 64 and the oldest is 96 years of age. The average age being just over 85. All but three are able to eat their meals in the dining room.

A staff of fourteen is needed to provide for the residents of this home. A staff of four nurses provide the needed nursing service. Six are needed in the kitchen and dining room to prepare and serve the three meals per day. Two are employed for cleaning purposes, one person in the laundry and a person for relief. All are under the resident matron who is Mrs. Leila Daugherty.

It is possible that homes such as these will be ruled by the new minimum wage laws and will possibly increase the cost of payroll by 20 to 30 percent.

Rev. Ira Perry, Chaplain of the home is greatly appreciated by all for his tireless devotion to those in the home. He has faithfully conducted morning services each Sunday. On many Sunday Evenings he has had services too. At Easter time he conducted special services for a period of ten days. Following his regular services he has visited with those in the home unable to come to the regular service. Many times he has visited the residents who were hospitalized. Communion services are held quarterly by Rev. A. E. Martin of the Cold Springs Church following his regular morning service. Various pastors of other churches come into the home to conduct communion. Similar services especially the members of West Penn Conference of the Lutheran Church who assign a Chaplain for there number. Since this Lutheran Conference does not have a home in this area they highly recommend this home to their members who would like to stay close to their homes.

Buildings

Usual repair and repainting is being done to maintain a good standard of housekeeping. Floor coverings are being replaced in rooms as they are made ready for new guests. The infirmary rooms on the porch are now used for ambulatory residents. Requirements not yet completed are the installation of an emergency lighting and fire alarm of the approved type. New piping was laid to the septic tank to replace one almost closed by roots from the trees. A new drain field is in the process of being done to carry the water from the septic tanks. Due to the condition of the soil new ground has to be hauled in to this area to make this possible.

Finances

Keeping the homes on a good sound basis is a continual problem. This conference contributes to the support of the home $6,000 per year. This is divided in half to each home. At Piney Mt. Home this sum is not sufficient to supplement the cost of caring for those United Brethren in the home unable to fully support themselves. To give an example of this, recently one of our number was admitted who was only able to receive $62.00 monthly for Public Assistance. With the cost near $100 per month the home must supplement $48.00 per month. Another example: two persons who came into the home in 1953 and paid a lump sum of $7,000, which divided left $3,500 each. Hospital and doctor bills have depleted this amount in five years time. Although they have paid a monthly charge of $50.00 per month, the home must supplement this by $50.00 per month. These are just two examples. To continue to take United Brethren people on what they are able to contribute, some means of additional revenue will have to be forthcoming.

A few suggestions for helping this situation are as follows: (1) Encouragement by you as pastors of Pennsylvania Conference to mention from your pulpits more often the homes, suggesting a remembrance of the homes in wills; (2) Purchase of Annuity Contracts, which do provide an income for the investor as long as they live; (3) Voluntary service in the home on the nursing staff, the cooking and dining room staff, and also for cleaning purposes too. This is Christian service and no better way can be had or suggested to learn the needs of our people.

At Milton Wright Home the county is paying the daily rate of $2.46 per day. The home supplements this by about forty cents per day. There is now only one child not supported by county funds. Being unable to accept your canned foods may increase this cost next year by 10 cents per day per person. Here too the homes will have to look for additional means of support. Numerous new contributions have come from civic organizations where the picture program has been shown since most of our support does come from those of this county who are taxpayers.

The recent additions to the home at Piney Mt. have increased the debt. No decrease in this has been possible in recent months, except to keep the interest paid. Finishing the requirements of the Dept. of Welfare in the near future will depend on additional funds which become available.

CONCLUSION

You have been faithfully praying for the homes or the progress that has been done thus far would not have been accomplished. Our sincere appreciation to you who have provided much entertainment and support this past year. Just come more often.

Respectfully submitted,

RICHARD W. REEVES, Superintendent

REPORT OF THE SECRETARY OF BIOGRAPHY
Report No. 7

Bishops Carlson and Meadows and Members of the Pennsylvania Annual Conference:

During the past year, I have received reports from the following ministers: Robert E. Myers, Ray A. Seilhamer and Wilber L. Sites, Jr., and partial or additional reports from Carl V. Hinkle and N. W. Brechbiel.

I have gone through the Biography book and made some notations that I know about, such as those who were elected as delegates to the General Conference of 1961 and to Annual Conference positions.

Dr. Clyde W. Meadows, of our Pennsylvania Conference, was elected Bishop of our Church, and Rev. and Mrs. Ira C. Weidner and Rev. and Mrs. Earl W. Shoap, having spent long and happy lives together, celebrated their 50th wedding anniversaries — Rev. and Mrs. Weidner on October 17, 1960, and Rev. and Mrs. Shoap on August 5, 1961.

You have already heard of some other outstanding events, in the way of new buildings, but I do not have enough information to record these at the present time. I would appreciate having any additional information regarding any church or any interesting happenings by the ministers.

Respectfully submitted,

RALPH L. ANKERBRAND, Secretary

We recommend that all Annual Conference Ministers serving Pastorates and Assistant Pastorates in Pennsylvania Conference be passed morally and officially and the work of the Local Conference ministers be approved.

We further recommend that the work of the Auditing Committee be considered sufficiently complete so as to eliminate an examination of minis-

REPORT OF THE SECRETARY OF CHRISTIAN EDUCATION

Report No. 10

We are grateful for the blessings which have been ours as we have worked together in the field of Christian Education, and we are rejoicing in the victories that have been achieved in this field during the past year.

We wish to express our appreciation to the members of the Conference Board of Christian Education for their excellent cooperation and for the suggestions given. We have met on several occasions and have attempted to promote the work of the Sunday School, the Christian Endeavor, the Vacation Bible School, the Camps, and that of Leadership Training. In the promotion of this work we have made a number of general mailings.

The annual convention was held at the Franklintown United Brethren Church Saturday, September 24, 1960, with more than 150 persons in attendance. The Convention was both informative and inspirational and thus proved to be most helpful to all in attendance.

A Sunday School and Worship attendance campaign was conducted during a six-week period, October 2 to November 6, 1960, with 25 Churches participating. Ten points were given for each percent increase in (1) Sunday School attendance; (2) Morning Worship attendance; and (3) Sunday School enrollment. Awards were given to the three Churches having the highest number of points. These Churches were Staunton, Lurgan, and Mt. Olivet (Franklin County). Those receiving honorable mention were Mainsville, Pleasant Hill, and St. James.

The State Sunday School Convention was held in New Castle, October 18-20, and was attended by several of our pastors and also by a number of our laymen.

Christian Endeavor week was observed January 29 - February 5 with banquets, special programs and informal gatherings.

The Board has purchased several sets of filmstrips and has made them available for use throughout the Conference.

A look at the statistical report for the year indicates that there were 38 Sunday Schools in the Conference with an enrollment of 8,570 and an average attendance of 5,921. This marks a gain of 105 in enrollment and a gain of 63 in average attendance over the past year.

There were 55 Christian Endeavor societies reported with a total membership of 1301, and an average attendance attendance of 849. There were 19 denominational Vacation Bible Schools; 4 Community Schools held; and two Churches reported weekday Religious Education classes.

The report indicates that there were 211 credits issued by local or community leadership training schools.

The next Conference-wide Christian Education Convention will be held Saturday, September 23, at the Otterbein United Brethren Church of Waynesboro, with morning and afternoon sessions scheduled.

It was our privilege to serve again this year as the dean of the Junior-Youth Camp; as the director of Audio-Visual Education for the General Department of Christian Education of the denomination; and as an instructor in the Leadership Training School of the Adams County Sunday School Association.

Respectfully submitted,

C. RAY MILLER

REPORT ON MORAL REFORM

Report No. 15

The Committee on Moral Reform submits the following:

1. That we recognize Almighty God as the guide for the world, and that to Him all people owe allegiance and obedience, and that He is the supreme and final Judge of the world, both morally and spiritually.
2. That we recognize and willingly respond to all His testimonies, statutes, laws and commandments as obligatory upon all His moral creation.
3. That we be expressly concerned about the proper observance of the Lord's Day, and that we express our disapproval of all forms of entertainment that work in conflict to man's highest spiritual welfare, righteousness, and worship of Almighty God on any other day.
4. That we commend all in government, civic and religious circles who are promoting high moral standards; and that we cooperate with all such agencies to promote sobriety, tolerance and good will among men and that we bear in mind that there is a holiness of life to be attained, without which no man shall see God.
5. Romans 10:12: "For there is no difference between the Jew and the Greek; for the same Lord over all is rich unto all who call upon Him." Therefore, we as a church, do favor all the privileges and benefits of the free institutions for all mankind.
6. We urge our ministers and people to become aware of the subversive organizations operating within our nation, which are trying to destroy our democracy and freedom, and to refrain from membership in such organizations, and to become competent to adivse others properly. For information, write to the Bureau of Documents, Washington, D. C.

7. We recommend that our ministers cooperate with the Pennsylvania Temperance League in the matter of informing our people as to the importances of total abstinence, and that we admonish our people to remember the statement of the apostle Paul when he said "And every man that striveth is temperate in all things." (I Cor. 9:25)
8. We recommend that the parents of our church become enlightened as to the type of literature their children read, and substitute good Christian literature for their reading, instead of the cheap novel type of a demoralizing nature.

REPORT OF PENNSYLVANIA CONFERENCE TRUSTEES

Report No. 16

The Pennsylvania Conference Trustee Board met at the Rhodes Grove Camp Ground August 26th. The reorganization resulted in Lester Misner being elected president and Earl Ensminger, Secretary.

On September 7th the trustees journeyed to Baltimore to make final settlement on the sale of the parsonage located in Baltimore at 328 Arundal Road. The papers were signed and property turned over to the purchaser. The receipts were $8,500.00 for the house and $1,100.00 for the land.

The Trustee Board has agreed to pay annually $500.00 on the principle of Pen Mar note. Balance $6,250.00.

The Trustees also have agreed to pay $500.00 annually on the principle of 124 Hilltop Road, Baltimore. Balance $6,000.00 dollars.

These payments have been sanctioned by the Conference Council of Administration.

The Trustee Board was offered a quit claim deed from the E. U. B. Church for an abandoned church in Perry County near Blain. Upon investigation of property it was discovered to be in a very bad state of disintegration and the offer was rejected.

Sincerely, your Board of Trustees,

LESTER MISNER, President

REPORT OF SECRETARY OF LITERATURE

Report No. 17

It has been said that people forget 95% of what they hear, and forget 70% of what they read. If this is true, is it not most important that we read only the best and most useful literature?

The figures on the reports of the pastors show that during this past conference year, in our 38 Sunday Schools, 19 used United Brethren literature, exclusively; 16 used our own literature in practically every department of their Sunday School; 3 still used literature which is not United Brethren. Are we independent Churches, or are we United Brethren Churches?

We grant that a top-flight teacher will usually do a good job, in spite of the fact that the literature may be of inferior quality. But let us face the facts — in the average Sunday School there are many mediocre, ineffective teachers. Why do we handicap them even more, by asking hem to use inferior materials? Use United Brethren Sunday School literature. It has been selected by people who are trained and experienced in the field. It is, by far, the best available, for United Brethren Sunday Schools.

Our **United Brethren** magazine now costs twelve cents per issue. Can you buy any other magazine for that price? It is still one of the best bargains in the field of Christian journalism. Now let me make just two additional statements: (1) Whenever you pray, pray for the editorial staff, the sales staff, and the printing staff of our own United Brethren Publishing Establishment. (2) When your Church purchases new hymnals, buy **The United Brethren Hymal.**

MISSIONS AND CHURCH EXTENSION
Report No. 18

We need a motive for missions the same as we need a motive for any other enterprise. In the words of Jesus, "The Son of Man has come to seek and save what is lost", (N.E.B. translation), we have this motive. We are hearing that pupils in our schools are making slow progress because of the lack of motivation. If we lack this impetus, let us look at the world through the eyes of Jesus, or of Paul who repeated the idea of Christ when he wrote to Timothy, "Christ Jesus came into the world to save sinners."

The world is not only going through great changes, but we are told by many that it is facing an impending crisis. This is clearly indicated in the recent book, "God and Caesar in East Germany", by Richard W. Solberg. This depicts the struggle of the church in East Germany under Soviet domination. It pictures the church as having every freedom in the early years of the occupation, but gradually and forcefully curtailing that liberty and by suppression and violence have endeavored to stamp out religion. It is interesting to trace the process. At first it was merely to invite the people join subversive activities. When the religious leaders raised objection, the government was going to exert pressure. When the church opposed such measures the government began to use force. Not only was the press used for propaganda, but the schools were controlled. When conditions between Church and State became so strained that "Coexistence" was incompatible on either side, it has resulted in an undeclared war. Thus the very existence of the church in East Germany is at stake, and Bishop Dibelius believes the defeat of the church there will prove disastrous to the church in other areas. Whether this be true or not, the world should be convinced that wherever Communism becomes established it leaves no place for any other plan of government, ideology or religion. It seems clear that Christianity must either be victorious or become defeated.

This would then indicate the seriousness of our situation, and the urgency of our task, as expressed by our newly elected General Secretary of Missions, Rev. Duane Reahm. But the task is as great as it is serious. It demands a knowledge and a skill and a committment that will outdo Communism. Jesus has given us the pattern that will do it. Bishop Dibelius takes the position of "no compromise" with Communism; and as a result is forbidden to enter East Germany. Others have adopted a less

rigid attitude and have been allowed some church activity, but very limited and restricted. The stream of refugees fleeing to the West is an indication that conditions are unbearable; or that people still have a respect for their consciences, that they "cannot serve God and mammon".

We that value the Word, and believe in the worth of an eternal soul, let us be true to our faith to win the lost while it is day. Let us have no part with a dialectic materialism that claims man to be the highest form of being, whose life has no continuance beyond death. While Communism may claim the highest intelligence, we believe "The fear of God is the beginning of knowledge".

We are happy to note the continued increase in giving to missions not only by the missionary groups, but in the Sunday School offering for missions. The amount of S. S. for missions this year was $13,818.81 which tops all previous records. This increase should continue in order to hold our own in this growing world. But we should note the emphasis made by the General Secretary in his address on the personnel and the spiritual element as well as the material, in order that the gospel shall be preached to all the world. Let us be truly "United in Christ" in order to carry out our mission.

The Brotherhood Convention of the year was held in the Guitner's church with a good attendance. Rev. G. D. Fleming, our General Secretary was present and had part in the program; and Rev. Irving Yonkers was the featured evening speaker. We are looking forward to the next Brotherhood Convention to be held in Prince Street Church, Shippensburg, Sept. 30. While we make particular mention of the Brotherhood, we hope every pastor will encourage and promote missionary interest and effort in every age group, even down to the Harvesters.

C. A. E. SAUFLEY,
Secretary of Missions

REPORT OF THE CONFERENCE SECRETARY OF CHURCH EXTENSION

Report No. 19

Subject: "Church Extension in Our Times"

Scriptural Basis: Luke 4:43 — "And he said unto them, I must preach the kingdom of God to other cities also; for therefore am I sent."

The terms Home Missions and Church Extension are somewhat synonymous. In the early history of United Brethrenism much time and effort was spent in such enedavors. The Church of the United Brethren in Christ had its birth here in the East, but our church fathers were not content to preach only to those in the immediate areas of their domiciles. How it thrills ones heart to read of the devotion and endeavors of those early preachers. As the population moved westward, our beloved Zion went with them, until finally United Brethren Societies were planted on the West Coast. One of these early missionary preachers in the Far West was Israel Sloan, of whose life and work I have read.

To me, the starting point for Church Extension is the sensing of the spiritual need of the unchurched in any given area. In other words, a passion for souls on the part of God's ministers, or "Called-out Ones'.' Without this element, any attempt on our part will lack the vital ingredien necessary for success. The early United Brethren preachers had this dynamic. We should never attempt Church Extension labors just to build another church in a given community or to run another church announcement in some daily or weekly newspaper.

As ministers of the United Brethren In Christ, we need to read and re-read the history of our founding fathers, and drink of the fountain that they knew. Or if you do not possess this source of information and inspiration, you can find the ground for this type of endeavor in the life of Jesus from the scripture reference to which I have referred. I have in my library a book titled "Christian Newcomer, His Life, Journal and Achievements". It is a real storehouse of history of this great itinerant preacher. He truly was a "traveling missionary". He spent hours and hours in the saddle for his Saviour. From his home, seven miles southeast of Hagerstown, Maryland, Christian Newcomer made hundreds of horseback preaching tours in Pennsylvania, Maryland, Virginia, Ohio, Kentucky, Indiana, and even up into Canada. These are all mentioned in his journal. As the Apostle Paul was the chief missionary of the Early Church, so Christian Newcomer was the missionary of our church in the East during the period following the death of Otterbein and Boehm. Otterbein and his colleagues held many revival meetings in Western Maryland and Southern Pennsylvania. Classleaders were placed in charge of the work when they moved on.

You may think that this type of endeavor does not now hold the prospect of success that it did in the early years to which I have referred — that all the territory has been over-run or "burned-over"; but, please remember that every generation must be evangelized, and that there is a great shifting of the population in our time. Many families are now living in areas which are not in close proximity to any good evangelical church, where the Bible is taught in its simplicity and the Gospel is preached in its purity. A part of this job is ours, as United Brethren to perform. If you can't go personally to aid these souls, you can help to send someone else whom the Lord will call if you will back him with your prayers and your pocketbooks.

Rev. L. D. Dellinger, our General Secretary of Church Extension, reported at the recent General Conference that Pennsylvania Conference had contributed the sum of $1330.00 in Club Memberships, or 133, during the past quadrennium. Seventeen new societies were reported as organized throughout the bounds of our church, but only one—Staunton, Virginia—in this the largest conference of the denomination. Brethren, it seems to me that we ought to quicken our steps.

Some new steps were taken in the recent General Conference to increase the development of this phase of our task through the providing of a Conference Secretary of Church Extension; but, this work cannot be accomplished through the efforts of any one individual in any of our conferences. To encourage giving to this worthy cause, an Associate Membership in the Church Extension Club Plan, with a $5.00 fee, has been authorized. Also, the Conference Secretary of Church Extension is made a member of the Conference Council by virtue of his office. He is asked to assist in the work by seeking out new places for churches and outposts, and by promoting the Club Memberships. All his work is to be done in cooperation with the Conference Superintendent and under the direction of the Conference Council. Furthermore, the historical records of new societies are to be taken care of by this secretary. As you will see, this is only "machinery", and it will not net us much without much effort and generous giving on the part of a host of loyal United Brethren.

During the year just closing, your humble secretary was successful through the cooperation of a number of pastors to arrange an itinerary for Rev. L. D. Dellinger to bring his program into six of the churches of our conference. In these contacts with our people, Bro. Dellinger sought chiefly to give information and inspiration to this work. I was privileged

to be in attendance at the service held at the Cold Springs Church. I felt that this was a very good presentation of the work of our Department of Chruch Extension on a general level, and it also gave a good challenge for future endeavors where our church has not yet established a witness. At the last minute, I requested Rev. Dellinger to give me a report on his appearances in the churches where he gave the program last fall; but in the rush of affairs with which he has been engaged recently, the report did not get through. I was informed through his office secretary that he did not feel he would be able to meet with us in this conference session, since he has gone to Kansas and expected to spend some time in that area.

Respectfully submitted,

REPORT OF THE SECRETARY OF EDUCATION
Report No. 24

We praise our Heavenly Father and rejoice together in the success and victories of Huntington College during this past year. After many years were spent in planning, studying, and praying, the college was accepted into the North Central Association of Colleges and Secondary Schools. A great goal has been achieved after much work. This national academic recognition was a great step forward for the college and the Church. However, this does not in any sense give us the privilege to discontinue our praying, our working, and our planning.

It is true that with this achievement, our college will move forward to many more. This step will likely mark the beginning of a real upsurge in growth and expansion. More students should be enrolled. More contributions should be received. Certainly the college will gain in prestige and in its contributions to our church and to the community in which it is situated. All of this is cause for great rejoicing.

An expression of appreciation is extended to the college board of directors, to the administrative staff and faculty, and to the faithful pasors and lay people who have worked, sacrificed, and prayed so diligently in order that this goal might be reached.

The task which lies before us now is twofold. First of all, it will be necessary for us to work just as conscientiously as before in order that the college will be able to keep pace with the anticipated growth. This is particularly true in the way of physical facilities. Secondly, it is necessary that we uphold the confidence of the college which the North Central Association has placed in it. We must go to great efforts to keep the college in a position whereby it is worthy of the honor and recognition bestowed upon it. To be sure, this will continue to keep us busy, — working, planning, giving and praying for the years to come.

During the past conference year, we were privileged to have three direct contacts with the college and seminary students or representatives. During the week of March 13-17, Dr. Galen A. Colclesser visited five areas of our conference for the purpose of meeting prospective students and their parents, and to also better acquaint all our people with the college and the work being done there. The response to this tour was somewhat disappointing; but without doubt many good contacts were made.

Our conference was also privileged to have the A Capella Choir with us at the Easter season for its annual tour. Certainly this presented a real opportunity for our people to see the students in action and to meet many of them personally.

On Sunday, April 16, each pulpit in the conference was supplied by a student or professor in the seminary. This gave our conference an opportunity to become better acquainted with the work of the seminary.

These visits and tours are always of real benefit in keeping the program, the needs, and the various personnel of the college before our people. The more visits we have such as these, the better our people will be informed.

We trust that every pastor and lay person of our church will give all their attention and interest in higher education to Huntington College. Now, that it has attained national scholastic recognition, this can be readily done without hesitation or reservation.

Respectfully submitted,

PAUL B. BAKER
